Trendy Oak series

The success story of the Trendy bedroom has received a natural follow-up with the integration of the latest international design trends with long-term use in mind. Tested by internationally notified bodies on EN-716 for the cots and EN-12221 for the changing tables.

Whereas the standard series has a frame in a natural solid beech wood, this same frame in the Oak series is finished with a water-based paint in brown-black color leaving the grain structure visible. The upper structures on the other hand are now a mix of lacquered and laminated panels with imitation veneer of the highest quality. These wood decors are provided with pores that ensure that the surface structure matches the natural wood and provides more authenticity. If you caress the decor by hand you feel the wood texture. Since the decors are resistant to bumps and scratches we contribute to the durability of the furniture and consequently these are extremely suitable for daily use. The decors comply with ISO 9001 (quality management), ISO 14001 (environmental management) and contribute to CO2 reduction.

At Quax we use durable materials. All the furniture boards meet the strict E1 standard on formaldehyde emissions. We also support sustainable forest management and we ask our suppliers to submit the PEFC and FSC certificate. Only reputable suppliers guarantee quality drawer guides and reliable connection techniques. The paint finish is another point of attention and only international quality suppliers such as Akzo Nobel are retained and not local producers. Trendy is finished with a water-based paint with the following advantages : does not yellow, is odorless, dries quickly, keeps its shine longer and is better for the environment. All producers are responsible for the certificates of their products, for example EN 71-3 with attention for the migration of harmful elements

Design plays an important role in the business philosophy of Quax. In the Trendy bedroom the bars are milled out in the Mdf board which does not only contribute to the fancy nature of this range but also to the sturdiness of the sides, not comparable to traditional bars.

And what about the seat function of the cots ? These cots can be converted into bench, something which your toddlers will certainly appreciate.

The series includes cots 120x60 cm, 140x70 cm with optional bedrail and beds 200x90 cm, a 4-drawer chest with optional changing extension, two- or three-door wardrobe, a desk with optional drawers and changing extension as well as a night table.

Could all these be reasons which justify a price difference ?
The choice is yours. Good luck ! Buy it and you will enjoy it !

Quax

Trendy Oak series : product info

The superstructure of the furniture in MDF and melamine board. The outer surfaces are available in the color combination **M002** (Provence paint and a dark brown oak wood decor).

2. Product codes and characteristics. (xx in the article has to be replaced by the color code)

54 01 41M002

92 cm
65 cm
124 cm

Characteristics

To seat convertible cot with mattress size 120x60 cm
Bottom adjustable in three positions : 28, 44 and 57 cm

Safety

Meets the European standard EN 716:2017 with focus on head and finger entrapment and ventilation

Logistic information

colli 1 : 75x70x 8H - 15,50 kg
colli 2 : 125x75x 8H - 23,10 kg
colli 3 : 107x15x10H - 4,60 kg
Gross weight : 43,20 kg
Net weight : 41,10 kg
Cbm : 0,133

54 01 41M002XL

92 cm
75 cm
144 cm

Characteristics

To seat convertible cot with mattress size 140x70 cm
Bottom adjustable in three positions : 28, 44 and 57 cm

Safety

Meets the European standard EN 716:2017 with focus on head and finger entrapment and ventilation

Logistic information

colli 1 : 80x75x 8H - 17,90 kg
colli 2 : 145x75x12H - 31,60 kg
colli 3 : 127x15x10H - 5,20 kg
Gross weight : 54,70 kg
Net weight : 51,70 kg
Cbm : 0,198

54 01 41M002XL-BR

26 cm
2 cm
140 cm

Characteristics

Safety barrier for cot with mattress size 140x70 cm and code 54 01 41M002XL

Safety

Does not need to meet an European standard.

Logistic information

colli 1 : 147x31x5H
Gross weight : 5,30 kg
Net weight : 4,80 kg
Cbm : 0,023

54 01 42M002-JUN

62 cm
95 cm
205 cm

Characteristics

Junior bed with mattress size 200x90 cm

Shipped with a slatted mattress support

Sleeping height 42 cm

Safety

Does not need to meet an European standard.

Logistic information

colli 1 : 205x45x11H - 28,20 kg
colli 2 : 94x21x10H - 7,00 kg
colli 3 : 93x28x 9H - 8,90 kg
Gross weight : 44,10 kg
Net weight : 42,00 kg
